APEX DEALER NETWORK

# INTRODUCTION

Apex Performance is a fast growing dealer network of Ecu reprogrammers and garages, were helping our customers start a business for the first time or businesses that are looking to expand the services they offer, We offer all tool training free of charge including refresher courses and support 364 days a year. Were here to grow your new or exisiting remap business.

Here at apex performance we believe in helping our dealers get the most from there business by supplying high quality products, training and support to create a smooth running daily operation that you can learn from and enjoy the benefits of being self employed!

We hope to hear from you soon to arrange a meeting and discuss in more detail what we have to offer, and our big plans of progression in the near future.

KIND REGARDS

APEX PERFORMANCE LTD

## BUY OUTRIGHT OR SPLIT THE COST OVER 12 MONTHS

The purchase fee is £2,299 inc vat Tthis comes with the remapping tool and software, 6 tuning files free of charge (worth £1500 in sales) and also as much training and support as you need throughout

Setting up and when you go live. This Includes a full days OBD remapping course at our HQ worth £400.

Also offered is half a day at our HQ going over social media techniques and answering any questions you have on making the most from your advertising.

Included in this package is 1 years free software subscription which is worth £725.

This fee is the cost of the remapping tool so once paid this is an asset you will own whichcan be sold at any point. These tools kept in subscription hold their value considerably.

Once you have used up your first 6 free files you then have to buy additional files in the below bundles.

Buy this on our finance option and pay for it over 12 monthly installments of £249.42

Files can then be bought in bundles of

o 1 File £75.00

o 6 File Bolt On's £390 (£65.00 a file)

o 14 File Bolt On's £840.00 (£60.00 a file)

o 25 File Bolt On's £1375.00 (£55.00 a file)
